

Attention Fleetwood residents:

Beginning at 8 am tomorrow morning, January 3<sup>rd</sup> East Main Street from Franklin Street to the Borough Line will be closed for the final phase of the construction project. All cross streets, including the east end of Arch St will be closed during construction. As work allows Walnut and Beech Streets will be open to allow for cross traffic. The official car detour route is SR 662 to Scheiry Rd to School Rd to Fleetwood-Lyons Rd. The official truck detour route for eastbound traffic will be SR 662 to Pricetown Rd to Dryville-Lyons Rd.

Also to accommodate commercial truck traffic to and from Sunsweet, beginning at 8 am Locust St will become a one way street, eastbound, between Walnut and Buttonwood Streets. "No parking" restrictions will be in place on the south side of Locust Street between Franklin and Buttonwood Streets and on the south side of Pine Street between Willow and Richmond Streets.

Keep in mind that while some of you may be opting to park in alleyways behind your residences if the alley is posted no parking, if you are blocking someone's garage or driveway or there isn't at least 9 to 10 feet clearance where you are parking, your vehicle could be subject to fines or towing to allow for delivery vehicles, emergency vehicles or snow removal equipment to get through.
